COVID-19 Pandemic – Patient Disclosures

This patient disclosure form seeks information from you that we must consider before making treatment decisions in the circumstance of the COVID-19 virus.

A compromised immune system (including, but not limited to conditions like asthma, diabetes, COPD, cancer treatment, radiation, chemotherapy, and any prior or current disease or medical condition), can put you at a greater risk for contracting COVID-19. Please disclose to us any condition that compromises your immune system and understand that we may ask you to consider rescheduling treatment after discussing any such conditions with us.

It is also important that you disclose to this office any indication of having been exposed to COVID-19, or whether you have experienced any signs or symptoms associated with the COVID-19 virus.

	Yes	No
Do you have fever or above normal temperature?		
Have you experienced shortness of breath or had trouble breathing?		
Do you have a dry cough?		
Do you have a runny nose?		
Have you recently lost or had a reduction in your sense of smell?		
Do you have a sore throat?		
Have you been in contact with someone who has tested positive for COVID-19?		
Have you tested positive for COVID-19?		
Have you tested positive for COVID-19 and are awaiting results?		
Have you travelled outside the United States by air or cruise ship in the past 14 days?		
Have you travelled within the United States by air, bus or train in the past 14 days?		
If yes, please explain why		

I fully understand and acknowledge the above information, risks and cautions regarding a compromised immune system and have disclosed to my provider any conditions in my health history.

By signing this document, I acknowledge that the answers I have provided above are true and accurate.
